Business from Fire Chief – Jim Hite was present. See attached report.

Business from the Safety Committee: Didn't meet. Vickie wanted it mentioned that there is CPR training at the firehouse on August 17th at 7pm that is open to the Council. It will just cost them $8 for the book.

Business from the Service Committee: Didn't meet. Vickie asked about street signs. She asked if anyone put up the new street signs that were ordered a few months ago? No one had. She thought Lowell & Jo-Ann were going to put them up. Jo-Ann said they put up the stop signs and the street sign on Fourth Street.

Business from the Finance Committee: None

Business from the Rules Committee: None

Business from Regional Planning Representative: Robert said the Census is starting in 2010 and they discussed some of that.

Old Business –

Robert asked about the piles of concrete behind the municipal building. He said there are a lot of weeds back there. Mary said that's where we have stuff dumped from different projects around the Village. She said we have no where else to dump it, and it costs more to have them haul it off. She referred the issue to the Service Committee.

Aaron brought up the nuisance issue next door at the old school building. We've been mowing all summer. Back of property is in terrible shape. Should we continue mowing? Council agreed to continue mowing the front. Mary said the property at 2161 Wilson Ave needs mowing too, there is no one living there, it's a nuisance. Aaron will send a letter.
