 Ray Robinson - Present
 Jimmy Barber – Present
 Garry Boring – Present

 Mary Boring – Present
 Aaron Reedy – Present

Mayor Barber announced that the purpose of this special meeting was to discuss finding different source of water for the Village of Thurston.

Jack Weidner, Mayor and Jason Henderson, Council President, were present from the Village of Pleasantville.

Jason said they did some calculations and if the Village of Pleasantville were to provide water to Thurston, they would have to upgrade their water plant. That might cost upwards to a million dollars for the upgrade. He said they are not prepared, and it's probably not feasible to do that at this time. He suggested looking towards Millersport as an option.

Jason said for the million dollars that would have to be borrowed, Thurston could build their own water plant.

At 11:06 am, Jimmy made a motion to adjourn. Garry second. Roll Call vote: All YES. Motion carried.

Respectfully Submitted,

Aaron L. Reedy, Clerk
