

Village of Thurston  
Council Meeting Minutes  
March 30, 2012

\*\*\*\*\* SPECIAL MEETING \*\*\*\*\*

Meeting called to order at 5:00 pm by Mayor Mary Boring. Pledge of Allegiance was recited.

Roll call: Robert Ortman – present  
JoAnn Hite – present  
Rita Leiendecker - present  
Jimmy Barber, Jr. – present  
Garry Boring – present  
Lowell Hite – present  
Mary Boring – present  
Aaron Reedy – present

Mary said the purpose of this meeting was to discuss moving forward with the well drilling/testing for water supply for the Village.

Mary said the driller hit some water, but it's not as good as formation as possible. The driller wants to move over and drill over at another location on the property. He will do it for only material & fuel, which is \$2,460. If it works out well, then he'll charge us \$5,130 for the balance.

Rita made a motion to move forward with the well drilling/testing and allow the contractor to drill another well. Robert second. Roll call vote: all YES. Motion carried.

Jimmy feels this contractor is working in the best interest of the Village. He's supposed to try the other well next week. The contractor is confident he will find water there.

JoAnn made a motion to adjourn at 7:02 am. Jimmy seconded. Roll call vote: all YES. Motion carried.

Respectfully prepared by,

---
